

ASP FACTS

PRODUCT: Tri-Fold®

ADVANTAGE:

Tri-Fold disposable restraints are compact, easily carried and rapidly applied. Specifically designed to law enforcement standards, their wide, brightly colored straps have no sharp edges. Tri-Folds open to oversized loops of incredible strength. The Roller Loc® ratchet has an extremely smooth pull with a covered locking mechanism. The recessed identification plate has a textured writing surface.

SPECIFICATION:

- Specifically designed as a police restraint
- Three position diamond folds
- Locking block hinge
- Compact
- Easily carried
- Rapidly applied
- No sharp edges
- Wide, brightly colored straps
- Extremely strong, oversized loops
- High strength micro-tension teeth
- Smooth, single tooth pull
- Roller Loc retention system
- Covered locking mechanism
- Pick resistant
- Non-pull through design
- Nylon retaining block
- Single pull tightening
- Pull hole in each strap
- Automatic spacing for convenient removal
- Recessed identification plate
- Textured writing surface
- Vapor-Loc re-sealable packaging
- Optional pull Ring
- Optional Duty Carrier in four finishes
- Optional Clip-On Case
- Optional Carabiner
- Optional Scarab® Restraint Cutter

PERFORMANCE:

Tri-Folds store and carry smaller, yet open larger than other disposable restraints on the market. Their incredibly smooth, single tooth pull simultaneously tightens both straps. The Tri-Fold is stronger, more pick resistant and easier to remove than any other disposable restraint.

SALES STRATEGY:

Compare the compact folded dimensions, oversized loops, smooth pull and extreme strength of the Tri-Fold to other disposable restraints on the market.
