

FACTS

PRODUCT: Tri-Fold® Hinge

ADVANTAGE:

Tri-Fold disposables are the most compact and rapidly applied single use restraints on the market. They are the first choice of US military and police rapid response teams. The Tri-Fold Hinge provides ergonomically correct restraint of a subject. It improves both control and comfort. The hinge increases strength of the Tri-Fold by realigning the angle of stress.

SPECIFICATION:

- Integrally molded
- Positioned below the Roller Loc®
- 50% thickness reduction
- Radiused side walls
- Linear stress alignment

PERFORMANCE:

The Tri-Fold Hinge produces linear stress alignment. The design increases the strength and comfort of Tri-Fold Restraints. The hinge assures ergonomically correct control of a subject.

SALES STRATEGY:

Demonstrate the improved fit and increased control made possible by the Tri-Fold Hinge. Show the linear stress alignment and increased strength that results.
